

A PETITION FOR VOLUNTARY RESIGNATION

We, the undersigned, seek an end to the controversy surrounding the Meeker County Housing and Redevelopment Authority (the "HRA"). Highly publicized controversy, whether real or imagined, continues to emanate from the boardroom. The recent change in executive management at the HRA makes this a perfect opportunity to appoint new Commissioners for the seats currently occupied by Wallace Strand and Amy Wilde.

To facilitate expeditious and effective change, we, the undersigned, seek the voluntary resignations of Wallace Strand and Amy Wilde so that the Meeker County Commissioners can re-appoint new HRA Commissioners at their first opportunity.
